To Sean Callahan

Dear Sean Callahan,

It gives me great pleasure to send Catholic Relief Services my best wishes on the occasion of your 75th anniversary.

The *Diocese of Manzini* has had over eleven years' of fruitful collaboration with your institution in the form of joint programmes implemented by *Caritas Swaziland* the social development arm the Catholic Church in Swaziland.

We are incredibly proud to be associated with a Member Organisation of Caritas Internationalis of such high calibre. As a member of the Caritas family, I have seen firsthand the impressive way in which you have risen to the challenge of internationalisation as a global humanitarian and Relief agency.

From humble beginnings CRS has evolved and has become a giant and a force to be reckoned with in the world in terms of making our planet a better place especially for the most vulnerable in society.

As the Diocese of Manzini, we have many affinities with Catholic Relief Services and we look forward to many years of further collaboration ahead.

On behalf of the Diocese of Manzini, and personally, please accept our most sincere congratulations for achieving this memorable milestone.

Be assured of our prayers for each one of you serving all over the world and for all those who, through you, make all these projects possible.

Fraternally Yours in Christ,

+ José Luis Ponce de León IMC  
Bishop of Manzini
