United States of America

Dear Sean,

RE: CONGRATULATORY MESSAGE

Greetings from the Association of Consecrated Women in Eastern and Central Africa – ACWECA!

We write to congratulate Catholic Relief Services (CRS) at this auspicious occasion as you celebrate 75 years of existence. We do acknowledge with gratitude the great works that CRS is doing in our Region. We cannot forget how you have always been close to us in our hard times; you assured us of your support which we have witnessed, your partnership style which everyone in ACWECA Region embraces.

Catholic Relief Services was one of the agents that discovered the treasure of partnering with Catholic Sisters to succeed in various projects. You made us to be aware of our potential and you were able to blend various Charisms in various projects mainly SCORE ECD for which everyone has a high regard.

ACWECA continues to be grateful for many other opportunities and partnerships with and through you. All these are blessings from the Almighty God. We know you do all because of your love for humanity after the example of Jesus Christ who came to relieve humanity from oppression and injustices. He came to bring peace and hope in God the Father.

As ACWECA we wish to acknowledge all the partners and collaborators who support CRS to implement its activities and projects. Thank you to the United States Conference of Catholic Bishops – USCCB for the great dream of establishing CRS of which all of us are enjoying the fruits. And to you all the People of the United States of America – USA for the support you give to CRS. For this reason we are indebted to you all.

As you know, we may not have much to give you at this occasion, but be assured of prayers from the Association of Consecrated Women in Eastern and Central Africa- ACWECA.

With kind regards and sincerely yours,

Sr. M. Cecilia Njeri, LSOSF
PRESIDENT
