Dear Mr. Sean Callaghan,

RE: Congratulatory Message

I have great pleasure in extending my warmest greetings and congratulations to CRS on their 75<sup>th</sup> Anniversary Celebrations.

For over 15 years, CRS has been a strong and committed development partner in the Archdiocese of Nairobi. During that period of time the Archdiocese of Nairobi community has benefitted from a number of social transformation initiatives supported by CRS including; building the capacity of health units to offer affordable health care especially to low income households, support for small holder famers in Kiambu County towards sustainable food security and development and sustenance of peace building structures in the hot spots of violence in Nairobi informal settlements.

It is with a lot of appreciation that we acknowledge CRS collaboration and support towards our local Archdiocesan institutions. This support has been essential enhancing our capacity to assist the poor, promote social development and advocate for justice and to continuously advance human dignity of our people.

To the United States Conference of Catholic Bishops, the CRS team and its partners, I wish you continued success and achievement for the coming years on this very special occasion of your 75<sup>th</sup> anniversary.

May God bless and reward you abundantly.

Yours sincerely,

John Cardinal Njue

**ARCHBISHOP OF NAIROBI**
